

Ghostly Greetings to our Avocado Estate Neighbors,

Now, we may be a little batty in the belfry and mad as hatters, but it seems that we have a Franken-tastic neighborhood with little ghosts and goblins who might just like to dip their hand in a bowl of candy waiting for them in the pool parking lot.

The community is inviting all neighbors to join and share in a fun, safe family Halloween. Come to the pool parking lot, decorate your car or table, dress up in costumes, give away candy, enjoy the cake walk, feast on the taco truck offerings.
